Decisions and news from the Elders

21 November 2010

Youth Worker

Jennie Manning has taken up a new role at Hempland Primary School and will therefore be leaving her role as Youth Worker for YCC. She is working 2-days a week for us as a handover to help smooth the transition but she finishes the role completely on Friday 17th December. We are so grateful for all Jennie's hard-work within YCC, in schools and across York and this is an opportunity to publicly thank her again and we wish her very well in her new role at Hempland. If you see Jennie around feel free to give her a personal thank you!

Jennie moving on means that as Elders we are now considering what our next step should be in terms of supporting the youth and children's work within YCC. Rather than jumping straight into a recruitment process to replace Jennie we have decided to prayerfully consider the shape and dimensions of any future role that we would seek to appoint someone into.

We have re-shaped the whole of YCC in bringing us together as one congregation so now seems an appropriate point to review what kind of role we feel is most appropriate. Please pray for us as we seek God's leading and wisdom and if you have any views or insight on this matter then please speak to one of the Elders.

Baptism Service

We will be having another Baptism service on Sunday 28th November (praise God!). If you are interested in being baptised please speak to one of the Elders

Burnholme Christmas Fair

YCC has been given the opportunity to be part of Burnholme College's Christmas Fair which is at the College on Saturday 27th November. We will be hosting a stall at this event which will let everyone find out more about YCC and the various activities and services we run. This will also include information about CAP.

In addition to this, we have been asked by the College whether we would be able to do facepainting for the kids, as this is always a popular part of the Fair,

but the person who has previously run this is not able to do so this year. **We are seeking volunteers who might be able to either organise this on the day, or help out with the facepainting, so please let us know if you are able to help in this way.**

This is a great chance for us as a church to tell our neighbours about all the things going on at YCC and to bless them by giving of our time. We hope also to bless the College by helping them as they organise this Community event.

Whether or not you are able to help on the day, please pray for this event as we seek to share God's love to those around us.

Please reply to the office in the first instance if you are able to help at the Fair.
